PREFACE

The Medicine Wheel and the 12 Steps program were given to us by the Creator/God and the Elders to make and attempt to over-come our worst enemy ever: "Addictions." It is said that those of us who are affected this disease are the very ones who must carry and nurture this healing process if we are to survive as spiritual people. The Elders and the prophecies give us little time to stop this escalating cycle before it's to late.

STARTING - **Wednesday JANUARY 28 2015**
